

NOTA

Research Grant Scheme Application Form 2023-24

Research Themes (please ensure that your application addresses one of the following):

1. Evidence and criteria for the Effectiveness of Existing Treatment Interventions
2. Prevention and Innovative Practice in the treatment of Sexual Abusers

SECTION 1 – APPLICANT DETAILS

1.a	Name of Principal Investigator	
	Affiliation	
	Address	
	Postcode	
	Telephone	
	Email	
	Institution or Line Manager approval signature	
	Name(s) of practitioners involved in the project (strongly recommended but not a requirement)	
	Location of involved practitioners	
	Will the Project be conducted in this location (Yes/No)?	
	Are you a Doctoral or Masters student (Y/N, please specify degree)?	
	Project supervisor approval signature	
	If Yes, is this application for funding to help fund your doctoral or Masters project? (Y/N)	

Measures (give details of any tests, questionnaires, any other equipment you might need, and justification for their use. If you are planning a qualitative study, provide details of the proposed interview schedule, again with a brief justification):

Procedure (give details of how, where and when you would conduct the study. Include information about ethics, consent, and actual administration. Provide details of the nature of the data that you will have collected and how it will be stored/recorded (e.g. in a password protected Excel or SPSS spreadsheet, or in text files in a password protected folder)):

Analysis (provide an outline of how you will analyse your data, describing your general approach (e.g. quantitative, qualitative, mixed-methods) as well as specific techniques for analysis (e.g. correlations, regression, factor analysis, grounded theory)).

2.f	Anticipated outcomes/what do you expect to find, and why is that important, and to whom? (max 300 words)
-----	--

2.g Impact statement: how will this benefit NOTA members and/or directly address NOTA's objectives? *(max 300 words)*

SECTION 3 - BUDGET

3.a	Justification for grant requested from NOTA (please provide details of how the funds will be used, for example, number of hours of paid employment, at what salary level/grade? Cost of equipment, or travel? N.B. The Grant may not be used to fund attendance at conferences, costs associated with writing up/reporting the research, nor to assist with student fees)
3.b	Details of other funding supporting the project (<i>both applied for & in receipt of</i>) i.e., itemise the complete project budget. Please indicate clearly if part funding would be welcome if funding for the amount requested is not possible.

SECTION 4 – ETHICAL APPROVAL

4.a	Has the project received Ethical Approval?	
4.b	If YES – give the name of the Research Ethics Committee (attach copy of Approval letter).	
4.c	If NO – please explain.	

SECTION 5 – CO-INVESTIGATORS OR COLLABORATORS (including academic supervisor where appropriate)

In addition, please submit the following:

- i) A brief CV for the principal investigator.**
- ii) A covering letter from the academic supervisor (where appropriate).**

Please note: it is not a condition of funding that Principle Investigators submit a presentation for inclusion in the NOTA Conference, however it is firmly encouraged.
